

## Privacy policy

### Handling of personal data

Under the European Regulation 679/2016 which refers to personal data protection and to the Federal Act on Data Protection (FADP), please be informed herewith that:

Personal data which you have supplied to us will be used in accordance with the content of the regulation UE 679/2016 and to the Federal Act on Data Protection (FADP) in order to complete the service(s) requested by you.

Should consent to use your data not be provided, we will not be able to proceed with the requested service(s).

The provision of data is not mandatory: registration to the ISTION website is not requested, but it will enable you to present your ideas to ISTION team by using the form in “GROW” section, or receive information using the form in “INVEST” section.

Your data will be managed in relation to this specific request and are related to the normal activity of a relationship with customers / users of services or potential ones; no mass marketing activity is envisaged, except for specific purposes relating to ISTION’s activities. (specific consent to be provided).

Data retention (which in any case may not exceed 10 years from the last update) is linked to the existence of a supply of goods / services, to legal obligations or to specific treatment needs of which you are a part of. It is your right to request the deletion of your data when the same right is not in opposition to any legal obligations.

### **Please be aware that your data will be stored in ISTION’s database.**

The provided data will be communicated to collaborators appointed by ISTION Srl in order to complete the services requested, to banks or credit institutions for the processing and management of payments, to public institutions and public security bodies for legal obligations linked to the tasks assigned to ISTION Srl and to any third parties only as a result of their role in the fulfilment of the services you are requesting to ISTION Srl.

ISTION Srl do not foresee your data being transferred outside the European Union or to countries that have not agreed to the GDPR regulation except in cases listed in article 49 of the European Regulation 679/2016.

You have the right to obtain the cancellation, limitation, updating, portability, opposition to the processing of your personal data as indicated in articles 15,16,17,18,19,20, 21 and 22 of the European Regulation 679/2016 and the articles from 25 to 29 from the Federal Act on Data Protection (FADP).

The data controller is ISTION SRL, C.so Alessandro Tassoni 31/A, 10143 Torino, Italy. Any privacy-related issues can be addressed to: [privacy@istion.ventures](mailto:privacy@istion.ventures)
